Can you guys assist with this? It has been pretty bad. Nickel Diner is a ghosttown.

Blair
Who do we speak with to get some help on this construction and filming ?? We've had severe blockage for weeks and the city continues to also allow filming at the same time. It is horrible and killing sales. There is no parking due to filming and no way to walk to the store bc of construction. Our clients are so upset and we are losing business.

Rob

Lots of lane closures still in full effect. Our intersection is almost completely blocked off.
